

# Adaptive Leadership

## Workshop

Maccauvlei In-House Offering

MACCAUVLEI

### PURPOSE

The purpose of this workshop is to provide learners with the knowledge and skills required to be adaptive leaders in an ever changing environment.

### LEARNING OUTCOMES

People attending this workshop will learn how to:

- Improve communication and become a more trusted and credible leader
- Use adaptive strategies to achieve greater productivity by infusing energy, self-resilience and drive within the team
- Create a collaborative work environment to achieve faster and sustainable results
- Increase their effectiveness in setting goals, providing clear direction, listening, observing, monitoring and giving feedback
- Be more responsive to others' performance and development needs
